## Social and Personal

ONE of the most charming recitals given at the Woman's Club during the past season of any number of pleasing affairs was the concert given yesterday afternoon by Miss Katherine Hart. Miss Hart is a lovely girl, and has a fine soprano voice of unusual strength and sweetness. Several of the best known people in musical circles of Richmond have made their initial appearance at the Woman's Club, and the audience was most enthusiastic.

The program was very happily chosen and the arrangement of charming songs very pleasing. Miss Mary Shelton presided at the piano and accompanied Miss Hart. Miss Hart was presented with a big bunch of pink flowers at the conclusion of the concert. Bowls of white peonies were arranged on the tea tables and mantels of the club parlors, and hostesses for the afternoon included Mrs. Carlton Jackson, Mrs. John Calvin Metcalf, Mrs. Philip Talliferro and Miss Marion Ryland. Miss Claire Guillaume was chairman of the afternoon. Miss Crump entertained.

## CHARGE LARGENY OF ABOUT CARLOAD

Fugitive Said to Have Gotten Away With Two Pillars.

Other Requisitions.

## BIG TAX CASE TO COME UP

Will Move Court to Dismiss R. F. & P. Appeal—Rebuild Road to Washington.

Judging from the allegations in a requisition issued yesterday by Governor Mann, it would appear that H. I. Adler got away with considerably more property than is usually made the subject of grand larceny. The requisition was on the Governor of Illinois for Adler, who is in jail in Chicago, and who is wanted in Newport News. The papers allege that Adler stole a sideboard, an extension table, two iron beds, two mattresses, two bed springs, two chairs, a washstand, 15 2-3 yards of hall carpet and three white shades. But the most remarkable item is that of two "pillars." If the afore-said pillars were appertaining to a building which was in active use, the consequences, it is argued, must have been rather serious.

The Governor also issued a requisition on Governor John A. Dix, of New York, for the person of William Wise. William is said to have attended a festival at the home of Ed. Thomas, in Culpeper county, following the festivities of the social occasion, William, so it is charged, walked up to Bessie Young, a belle of the ball, and with-out any provocation, carved her with a knife, inflicting wounds from which she suffered for several weeks. William thereafter found business in New York, where he is detained until a Virginia officer arrives.

A requisition asked for by Governor Austin L. Crothers, of Maryland, was honored by the Governor. This is for Louis Oppenheim, alias N. Levy, wanted in Baltimore, obtaining \$30 from the Barrett-McCoe Co. under false pretenses. William Lancaster came to Richmond, where Oppenheim has been held, for the prisoner.

## MOVE TO DISMISS

**Big Railroad Case Will Be Pushed in Nation's Highest Court.**

Next Monday, May 29, has now been set for the presentation by Attorney-General Samuel W. Williams of his motion before the Supreme Court of the United States, asking for the dismissal of the appeal of the Richmond, Fredericksburg and Potomac Railroad Company, Judge Williams will go to Washington on that day. Such a motion cannot be argued, but will be presented to the court.

A tremendous amount of money is involved in this case, for upon it depends certainly the accumulated franchise taxes of the railroad since the promulgation of the new Constitution, with large penalties, and probably a fortune in local taxes on visible property to the counties and cities through which the road runs.
